WANDA JAN HILL Creditors/Objectors,

v

In re:
City of Detroit, Michigan
and Emergency Manager Kevyn D. Orr, Debtor/City of Detroit

Chapter 9
Case No. 13-53846
Judge Steven W. Rhodes

MOTION

Now comes creditor WANDA JAN HILL, and pursuant to Federal Court Rules of Civil Procedure 7(b)(1) and the First Amendment of the Constitution of the United States, I hereby submit the additional exhibits to my motion (6860). While preparing myself for court presentation to thoroughly build my plea, I obtained more information that is pertinent to my petition.

List of Exhibits and Supporting Description:

1. Under the defined terms of the Disclosure Statements and the Plan of Adjustment documents, the "ASF Recoupment" definition refers to a "formulae set forth in Section II.B.3.r.ii.D"; albeit, the reductions of the *ASF Savings Funds account and the monthly pension check*. It is greatly assumed that the presentation of this formulae reveals the workings of the 6.75% interest rate. However, this aforementioned Section [Exhibit] is not found in court-honored documents. This lack of revealing this 'stated' information, relative to the 6.75% interest rate as a part of the ASF Recoupment amount, further supports this creditor's non-disclosure concern. The exhibits are: 4391-1 (05-05-14); 4392 (05-05-14); 4394 (05-05-14); 6257 (07-25-14); and 6809 (08-20-14).
2. The exhibit is: U.S. Code Section 1123 (a)(4) – A number of creditors under Class 11 were not clearly, directly or reasonably made aware of the 6.75% interest rate amortized onto their Recoupment reduction information, which is tantamount to treatment disparity as a result of the absence of full disclosure. Therefore, because of this lack of clear and conspicuous information, especially prior to vote taking, it has muddied the waters and exposed the fact that some of the claims in Class 11 were not treated equally and were subject to the 6.75% rate, the interest rate of 6.75% was only germane to some, and for whatever reason, some creditors and their claims in Class 11 were not informed or privy to this knowledge. All of the claims within Class 11 were not treated similarly because of the lack of a full-disclosure stance, and such treatment is not in accord with bankruptcy law.

I hereby petition the court to honor my request to submit additional, pertinent exhibits to support my case.
